Announcements

Financial Report for July is available on the table in the foyer.

Symposium on Biblical Prophecy will be held at Camp Au Sable August 7-9 during the Ministerial Meetings. Anyone interested in attending the meetings will need to provide their own housing accommodations. See the poster on the bulletin board for further information.

Tri-City SDA School Work bee is scheduled from 8 am-noon on Sunday, August 13. Please come and help us prepare for the new school year. A potluck lunch is planned, so bring a dish to pass and enjoy the fellowship.

Fair Booth The focus of our booth at the Midland County Fair August 13-19 will be Dr. Neil Nedley's DVD Depression Recovery Seminar, which begins September 5 and will be held once a week for nine sessions. This excellent seminar is helpful for preventing and treating depression and we encourage our church members to attend and to invite their friends. We will need your help in staffing the booth and we invite you to sign up for a slot on the sheet on the bulletin board in the lobby. Outreach Committee, Ardith Tait and Norman Moll

Library Have you looked at the display shelves (west wall) and the NEW BOOKS shelf (east wall) recently? We have witnessing books, biographies, spiritual growth books, books on relationships, children's books and more for your summer reading. If you are planning a summer vacation soon, why not take some books along or play some tapes or CDs as you drive? Engage your children's curiosity of 'whodunit' by reading/playing the Scripture Sleuth series. There is something for everyone.

Breaking the DaVinci Code For those of you who are waiting in line to read this book, it has been returned and is now available for checkout.
