## Announcements

**Vespers Program** tonight at 5:00 pm will feature Dr. Neil Nedley's DVD presentation on optimum frontal lobe function, which is especially helpful in preventing and treating depression. We hope you will enjoy this DVD with us and stay for light snack potluck refreshments afterwards. Ardith and Norman

**Exercise Classes** start Monday night at 5:00 and continue Monday and Wednesday nights with Becki Nelson leading out in the Royal Canadian Exercise Program. Just come dressed in comfortable clothes and get in shape for the new year.

**Rooms are still needed** for the GLAA Aerokhanis group the evening of January 12 after the Friday night program. Please sign up in the foyer. There will be about 40 of them so we will need everyone who can to help. Contact Reid Tait if you have any questions.

**Church Service Recording** We have upgraded our recording equipment. Church services (including sermons) will now be available on audio compact disk (CD) immediately following each service. Please stop by the PA desk at rear of the sanctuary immediately after the service if you would like a recording. The CD format has several advantages over cassettes- faster duplication, better sound quality, and lower cost. Share these with family members, shut-ins, or friends. (Audio recordings of sermons will also be available on our church website ([www.midlandsda.org](http://www.midlandsda.org)) soon.)

**Tri-City School Constituency Meeting** Our annual constituency meeting will be held at the school at 6:00 PM, Sunday evening, January 14, 2007. Attendees will be approving the tuition and budget for next school year. There will be also be a brief state-of-the-school presentation, an opportunity to tour the facilities, and refreshments.

## Future Worship Services and Events
