Welcome to Worship Today

"Consider it a sheer gift, friends, when tests and challenges come at you from all sides. You know that under pressure, your faith-life is forced into the open and shows its true colors. So don't try to get out of anything prematurely. Let it do its work so you become mature and well developed, not deficient in any way."
James 1:2-4, The Message

The Vegan Alternative (All Plant-Based Diet) cooking class continues this Thursday at 5:30 p.m. "Sugars and Carbohydrates" is the topic. Did you know that the Physician's Committee for Responsible Medicine recommends an all plant based, high fiber diet along with ample exercise as the primary treatment for diabetes? Class discussion will explore why this approach works so well. Anybody like ice cream (without the cow)?

The **CHANCE or DESIGN Lecture**, 7 p.m. Friday evening, October 26, to be presented by Norman Moll at the Midland SDA Church, is titled "What Happened? Can a Genesis flood account for what we see in the fossil and geological record?" Included will be an assessment of proposed flood models.

Sacred Concert Sabbath, November 3, at 4 pm, the "Somewhere Else Praise Band will be in concert at the Midland SDA Church. They are from the Cedar Lake Church and play and sing Southern type Gospel, traditional hymns, praise songs, contemporary, and original music written by one of the members of their group. Their outreach is spreading the gospel through their music. Come and be blessed by their uplifting music, and invite your friends.
