Welcome to Worship Today

"Is there anyplace I can go to avoid your Spirit? To be out of your sight? If I climb to the sky, you're there! If I go underground, you're there! If I flew on morning's wings to the far western horizon, you'd find me in a minute— you're already there waiting! Then I said to myself, "Oh, he even sees me in the dark! At night I'm immersed in the light!" It's a fact: darkness isn't dark to you; night and day, darkness and light, they're all the same to you." Psalm 139:7-12, The Message

Events This Week

Nov. 17 Youth Class

Announcements

Dear brothers and sisters,

This is an update from Oregon about my experience at Mission College of Evangelism. The first week we were given introductions to what evangelism means and we were given time to memorize Bible texts and start studying for our tests. Once we were grounded in the spirit of evangelism we received training in the field of literature evangelism. We did literature evangelism for two weeks and sold about 100 books. We have also been writing our own Bible studies and have taken a lot of tests. Some of the classes include: Spirit of prophecy doctrines, Health, and Evangelism. The curriculum is challenging for every one of us but I received an A for preaching. Our Bible studies have been going really well; we are studying with about 9 people.

We are currently preparing for the big evangelistic meeting. The job that I have been assigned to is head usher, which is a big responsibility. All your prayers are very much appreciated during this busy time along with your financial support as I have to make a final payment by the end of November.

In His Service,
Harmen Aerts

Directory updates: Bud Greanya, 631-5194; Rick Greanya, 837-5818; Richard Medeiros, 989-488-2835; email, rajfam963@charter.net and Sherry Skym 2200 Cleveland Avenue, Apt. 207, Midland, MI 48640

Temporary Address Change -- until 1/15/08: Ann Pank, P. O. Box 293281, Nashville, TN 37229-3281.

The **CHANCE or DESIGN Lecture**, 7 p.m. Friday evening, November 2, to be presented by Norman Moll at the Midland SDA Church, is "How does Evolution Occur? Or does it?" With the very recent advances in the study of genetic material -- the DNA -- scientists are able to "see" direct evidence for changes that have occurred in species. What can be learned about origins from this very new information?

Sacred Concert Sabbath, November 3, at 4 pm, the "Somewhere Else Praise Band will be in concert at the Midland SDA Church. They are from the Cedar Lake Church and play and sing Southern type Gospel, traditional hymns, praise songs, contemporary, and original music written by one of the members of their group. Their outreach is spreading the gospel through their music. Come and be blessed by their uplifting music, and invite your friends.
