## Announcements

**We extend a warm welcome** to our Amazing Discoveries in Prophecy attendees. We are looking forward to getting better acquainted with you at the luncheon following Steve Vail's presentation. May God bless us all as we learn to know Him better.

**Welcome** to Paul Mercy, who was baptized last Sabbath and is now an official member of the Midland Seventh-day Adventist Church.

**Amazing Discoveries in Prophecy** continues this week on Monday night at 7 pm and on Sabbath mornings at 10 am. You are welcome to join us as we study Daniel and how its messages relate to us, as we face the challenges of living in these troublesome times.

**"Intelligent Design,"** an Issues in Creation Seminar, will be presented by Norman Moll at the Bay City SDA Church, Sabbath afternoon June 7 following the monthly potluck. This introductory presentation will be given to explore with Bay City church members the possibility of offering to the public a series of creation seminars as an outreach later this year. The lecture will examine the functioning of a single cell using a well known manufacturing process as an analogy. This seminar as well as those in the series utilizes many photographs and video clips to illustrate the concepts being explored. Everyone is invited.

**Please join us** for a Graduation Open House celebrating our seniors, to be held Sunday, June 8 in the Activity Center. A soup and salad potluck is planned, with a short recognition program to follow.

**Tri-City SDA School's** website is found at <http://www.tricity22.adventistschoolconnect.org>, and the school's email is [tricity@misda.org](mailto:tricity@misda.org).

**Dow Gardens Passes** are now available so you may enjoy visits. They are in the greeter's stand in the lobby.

**While we are without a pastor**, please contact Head Elder Reid Tait at 832-2799 if you have any concerns or questions.
