The Island Landscape Project has 30% of the needed funds as of October 31. Projections through August, 2013, would indicate approximately 89% in hand. \$1,200 is the funds we would be short to complete the project, or \$120 per month over the next ten months. Please consider this project in your giving plans.

Our Church is blessed with many gifted individuals who use their talents to minister to others. From community services to canvassing and Christian education to card-making, Seventh-Day Adventists use their gifts in advancing the kingdom of God. Whatever your ministry endeavor is, please consider sharing your testimony with the church family. There is much we can learn from the testimonies of one another. Contact Marcus Peters for more details.
