Tomorrow, September 21, is "Let's Move Day" a program established by the North American Division (NAD) of the Seventh-day Adventist church which aims at fighting childhood obesity by promoting active healthy families. Instead of walking or running a 5k, we as a church are going to have a "Let's Pray Day" due to our many church family members facing different health issues. Please fast from sunrise to sunset if you are able and pray on the hour every hour for the ones who are sick and their care givers.
