Welcome to Worship Today

"When you love God you will gain insight into what is honest, fair and right and will know what course to take. Wisdom will be in you heart, and knowledge will be a joy to you. Sound judgment will be at your side to help you, and understanding will keep you from doing wrong. Wisdom will keep you from being deceived by wicked men and will protect you from people whose words are evil."

There is so much to learn and apply from these messages! **Thank You**, everyone who has supported these meetings.

Do you wish to deepen your relationship with God?

Spiritual direction is the contemplative practice of helping another person or group to awaken to the presence and action of God in all of life, and to respond to that discovery in a growing relationship of freedom and commitment. If you would like to engage in this kind of ongoing examination of your spiritual life or if you would like more information, contact Carol Lanfear at lanfe1c@gmail.com.
