Our fair passes will be on the front porch of the Nadane's house at 1301 Harwood Court in Midland. Please make sure you return the passes when you are done! You will be blessed meeting people in our community, sharing the gospel through literature, and promoting 3ABN TV and Strong Tower Radio 90.7 FM. Don't miss out!

**District Six Retreat** at Camp Au Sable will be held this coming weekend, Thursday, August 20 to Sunday, August 23. Pastor Mark Howard is the tentative keynote speaker. Make plans now to join your church family, as well as our sister churches for this annual outing.

**Fellowship Meal Cancelled.** We will not have a fellowship meal next Sabbath due to the District Six Retreat.

**Church Roof.** The church roof is now completed. We still need \$2,827 for the final payment. Thank you for your support of this large project. All donations help.

**Community Services Center.** The amount needed for sealing the parking lot, restriping, replacing the broken cement bumpers, and cleaning out the parking lot drain is \$3,175. The work will be started when the total funds are raised. Thank for helping with this project to keep our Center looking nice.

**Deaconess Meeting.** There will be a brief meeting August 29 immediately after church.

**STR Weight Loss Challenge:** Pastor Cory and Christal will be participating in a "weight loss challenge" to raise money for Strong Tower Radio's Lansing Project. STR is attempting to raise \$300,000 to purchase two frequencies (AM/FM) in Lansing. To aid with this fundraiser, George Corliss and team have decided to get healthier in the name of the station. Each participant is seeking sponsors that will pledge so much per pound lost or make a straight donation. If you'd like to sponsor Pastor Cory and Christal, please visit Pastor Cory's Facebook site and indicate your support (search "Pastor Cory J Herthel" on Facebook). If you're unable to visit Facebook, an email, call, or text will work too!
