

## ANNOUNCEMENTS

**For reflection.** “It is impossible to explain the origin of sin so as to give a reason for its existence. Yet enough may be understood concerning both the origin and the final disposition of sin to make fully manifest the justice and benevolence of God in all His dealings with evil. Nothing is more plainly taught in Scripture than that God was in no wise responsible for the entrance of sin; that there was no arbitrary withdrawal of divine grace, no deficiency in the divine government, that gave occasion for the uprising of rebellion. Sin is an intruder, for whose presence no reason can be given. It is mysterious, unaccountable; to excuse it is to defend it.” Ellen G. White, *The Great Controversy*, 492-3.

## WELCOME

The image on the cover depicts the marvelous lost sheep parable of Jesus found in Luke 15:3-7. The church leaders were muttering that Jesus spent time with sinners. Jesus responded with the story of a shepherd who has 100 sheep; but loses one of them. With great urgency, the shepherd hunts for the lost sheep. When he finds it, he rejoices with his friends and neighbors that the sheep has been rescued.

Jesus then states that heaven rejoices greatly when one sinner repents and entrusts his life to God's care. We hope you find Jesus, His love, and His desire to rescue you during our services today. Welcome to the Midland Seventh-day Adventist Church!
