More Urgent Technology Updates. After Apple sent out a patch to secure a vulnerability for Mac computers, iPhones, and iPads, now Microsoft, Adobe, and Mozilla have released patches for the same problem on Windows operating systems and applications, various Adobe applications including Photoshop, and various Mozilla products including Firefox browser and Thunderbird email client. Google had also released an update earlier in February. No word about Linux, however. This means that almost everyone who uses a computer, a phone, or a tablet of any kind needs to update the operating system and applications. You don't want to become a victim of this technology threat. Update as soon as possible. If you need help or have questions, see Carol Lanfear.

Audio and Video Recordings of today's and prior services are available online at midlandsda.org and at facebook.com/midlandadventist or midlandsda.org/blog
Having Trouble Hearing? Portable hearing assistance units are available at the AV booth.

WELCOME

The image on the cover depicts the marvelous lost sheep parable of Jesus found in Luke 15:3-7. The church leaders were muttering that Jesus spent time with sinners. Jesus responded with the story of a shepherd who has 100 sheep; but loses one of them. With great urgency, the shepherd hunts for the lost sheep. When he finds it, he rejoices with his friends and neighbors that the sheep has been rescued.

Jesus then states that heaven rejoices greatly when one sinner repents and entrusts his life to God’s care. We hope you find Jesus, His love, and His desire to rescue you during our services today. Welcome to the Midland Seventh-day Adventist Church!

WE BELIEVE

As a church family, we believe God loves us and wants us to spend eternity with Him. We take God’s Word, the Bible, seriously. We study it diligently because it is filled with messages of hope and the love of Jesus, along with instructions for living rich, fulfilling lives, observing a Sabbath of rest, living healthfully, loving and forgiving others, and much more.
