

For Reflection

Enoch walked with God. He was of one mind with God. The prophet asks, "Can two walk together, except they be agreed?" If we are of one mind with God, our will will be swallowed up in God's will, and we shall follow wherever God leads the way. As a loving child places his hand in that of his father, and walks with him in perfect trust whether it is dark or bright, so the sons and daughters of God are to walk with Jesus through joy or sorrow, through sunshine or shadow, in the pathway of life.

The Lord has committed to us the sacred, solemn work of presenting testing truth to the world. He has greatly honored us in giving us a part to act in his cause, in permitting us to be co-laborers with him. If we are indeed the delegated servants of the Lord, we should walk in the light, that we may be light-bearers to those who sit in darkness. The followers of Christ are to manifest to the world the characteristics of their Lord. They must not become careless or inattentive to their duty, or indifferent as to their influence; for they were to be representatives of Jesus in the earth.

Copy Room Computer. The copy room computer should not be shut down after use. Simply closing the lid to put it in sleep mode allows critical updates to occur. And it lets the computer communicate with the printer to monitor toner levels and other printer functions. Shutting the computer completely down blocks these processes. Thank you.
