

For Reflection

“We need closely to investigate our life and character, and have true contrition of soul, having fellowship with Christ and fellowship with our brethren. Then we shall show that we can appreciate the work of the Holy Spirit upon our hearts. The barriers of pride, of self-sufficiency, are first to be broken down; then the love of Jesus will abound in our hearts. Then we can partake of the communion with a consciousness of sins forgiven; for whoever sits down at the communion service should sit down humble and clean in heart, and purified from all defilement. Then the sunshine of Christ’s righteousness will fill the chambers of our minds and the soul temple. We shall “behold the Lamb of God, which taketh away the sin of the world.”
