

A Day of Fasting & Prayer Friday November 14th

The power of fasting as it relates to prayer is the **spiritual atomic bomb** that our Lord has given us to destroy the strongholds of evil and restore a true understanding of God's character. Below are a number of projects that **Satan has fought long and hard to stop** because of the spiritual light each would bring to those particular communities. **Please join Strong Tower Radio in a day of fasting and prayer Friday November 14th.**

1. WGCP 91.9FM Expansion. 2 ½ years ago we received the go ahead from the FCC to expand our signal in Cadillac to 25,000 watts. This additional power would allow us to effectively reach from Traverse City to Ludington to Big Rapids to Cadillac. **Satan has fought long and hard to squash this project.** Please join us in claiming the promise found in Proverbs 21:1 in your prayer requests... "The king's heart is in the hand of the LORD, as the rivers of water: he turneth it whithersoever he will," for this project.

2. Translators for Munising, Manistique & Alpena. A translator is a small radio transmitter, usually about 100 watts, that is used to fill in an area that is hard to reach within a radio broadcast region. **A translator is not something you purchase off the shelf and install.** You have to find and purchase an existing one, then move it to the region you want to broadcast. **Munising, Manistique & Alpena church members long for their communities to hear the "Everlasting Gospel"** through the power of the spoken word. Please join us in claiming the promise found in Matthew 7:7, "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you."

3. Finances. We have reached a **critical point** when it comes to financial support for our ministry. This has caused us to make some cuts within our ministry. Please join us in claiming the promise found in Philippians 4:19, "But my God shall supply all your need according to his riches in glory by Christ Jesus."
